QUALIFYING: Practice and Qualifying will be run for a total time of 15 minutes. Practice will run for 5 minutes (timing to start with first rider leaving the start gate). A green flag will be waved after 5 minutes which will signal the 10 minute qualifying session.

CHAMPIONSHIP CLASSES: Where numbers exceed the 38 gate start riders will be required to qualify. Qualifying is by heats with times amalgamated. The slowest riders will then ride support class to where there will be a minimum of 6 riders. Gate pick for all races will be determined from 1st – 38th qualifying times.

WAITING ZONE PROCEDURE

Before the start of the race, all motorcycles must be in the waiting zone as required. From the waiting zone, the rider will enter the start area and pick their gate, when directed by the official. Once the rider has selected their gate, they cannot change their selected gate. The only person to pick the gate selection is the rider. Once the final rider has selected their gate and entered the start area, the mechanic (or support person) may enter the gate area with the competitors' bike. One mechanic or support person per rider ONLY. Should the rider not be in the waiting zone for gate selection they will forfeit their position to pick which will result in having the last pick for gate selection. A rider's mechanic (or support person) may select a rider's gate if they are double classing and competing in the preceding race.

WARM UP:

A 3 lap warm up session will be given to all riders on the morning of 2nd and 3rd day of competition. The warm up session is compulsory (unless the Steward and COC declare it optional) and must be completed on the competitors race bike (competitors cannot change bikes once they leave the gate). At the completion of our warm up session, you will return to the waiting zone. If the competitor has the misfortune of the bike developing technical issues, once they have left the gate for the warm up session, they may complete repairs to the bike from behind the gate or from the mechanics area or in the waiting zone. However, they cannot change machines. Should a competitor double class their second warm up session is optional.
